1020 W. 14 MILE ROAD • CLAWSON, MI 48017 • PHONE 877 - 436 - 0302 • WWW.ADVANCEDSYSTEMSDOORS.COM

## INDUSTRIAL RADIO DOOR CONTROLS

**Our Industrial Radio Controls for Doors installed in tough industries like Steel & Mining, utilize a highly dependable programmable receiver and multiple door location transmitters. Your existing 2-way radios can also be used to open or close any door. The Industrial Radio Control System has an adjustable range and can reach up to a mile with the correct transmitter.**

**This system can accurately control multiple doors even when side by side. The programmable range and frequency insure accurate independent door control. Any existing door can be upgraded to give you accurate radio control. This system helps keep environments separated and protects your equipment investment.**

**OUR EQUIPMENT IS NOT BRAND SPECIFIC AND WORKS WITH YOUR EXISTING NEW OR USED EQUIPMENT!**
